Objective

Web developer with experience in user interface and graphic design, looking for a job that is going to help this life-long learner grow. Reliable, hardworking, and a go-getter, I have a lot to offer, as well as a passion for clean code and beautiful web design.

Education

Graduated from Coronado High School in May 2014

Graduated from the University of Colorado at Boulder in May 2018
Received a BS in TAM (Technology, Arts, and Media) with a focus in interactivity from the College of Engineering and Applied Sciences

Work Experience

Cannabis Marketing Association Intern

February 2018 - June 2018

The Cannabis Marketing Association is a small start-up company that I wore a lot of hats for. Mostly I worked on social media, web design, and graphic design.

Nanny

May 2013 - September 2017

As a nanny I would take care of kids part time throughout the summer and school year.

Univ. of Colo. Police Department CSO (campus safety officer)

September 2015 - May 2018

As a CSO I was responsible for securing academic buildings and patrolling campus at night.

CU Bookstore

Sales Associate

January 2015 - May 2015

I operated a cash register, restocked items, and helped customers

Extracurriculars

CU Womens Rugby Team Social Media Officer

May 2017 - May 2018

I spent all four years on the rugby team and during my last year I ran our social media accounts and website.

NVC Creative Track Winner 1st Place

March 2018 - April 2018

The company I was a part of placed first in the creative industries track during the New Venture Challenge.
